Join us from anywhere in the world on June 21–22!

Hi Massimo,

Preparations are underway for the next edition of the [Future Labs LIVE Congress](#).

With over 50+ confirmed speakers across top pharma, chemical, process automation and biotech companies you really do not want to miss out.

In 2021 the agenda focuses on automation, connectivity, and digitisation with a special emphasis on open innovation to accelerate discovery and sustainability of processes. [Download the congress agenda here.](#)
